Competition & Production Guidelines

- The time limit for talent competition is 2:00 minutes or less.

Contestants must turn in 2 competition cds. If a contestant is not using cd accompaniment she must turn in 1 tape of her talent for timing purposes (ex. Piano, monologue, etc.). The cd must have contestant's name on both the jewel case and the actual cd. Also there may only be 1 song on the cd.

- A contestant may pre-record herself as a back-up vocalist or instrumentalist and use that tape to accompany her live talent performance here. However, it cannot be announced to the judges that the accompaniment tape contains any performance by the contestant. She will be judged solely on what she is doing live, and no exceptions will be made to this. A talent cannot be performed electronically.
- If a contestant wishes to perform a double talent, i.e. singing and dancing, or singing and playing piano, she must do both live on stage. She will only receive points for what is done live.
- There can be no duplication of a talent act among the contestants. This is determined on a first come, first served basis. The first contestant to register her talent with the program director is the one who will have preference.
- A contestant may not include in a vocal medley the same song another contestant is planning to sing as a solo or as part of a different medley. The same song, though, may be played on a musical instrument by a second contestant or used as accompaniment for dance
- A contestant will be the only individual on stage during the actual presentation of talent. *NO disrobing of any kind on stage that will reveal inappropriate clothing or nudity. This will result in a zero score for that portion of the competition. Eyewear is excluded from this rule.
- Any props that a contestant has on stage must be used and provided by the contestant. The local pageant is not responsible for providing any props. No props will be permitted unless they are absolutely functional as part of the contestant's talent presentation. A contestant may not use any of the following:
 - No mood setters or background enhancers
 - No props that imitate those used in a Broadway or screen version of her music
 - No props that require excessively large stage areas and complicated setting up
 - No use of motion pictures, slides or projections of any kind
 - No live animals
 - No props involving safety hazards such as: fire batons, sword twirling, knife throwing, archery, etc.
 - No additional person or person on stage with the contestant

If you require a vocal microphone or are playing an instrument that will require a microphone, indicate your preference.

Wireless microphone on a stand _____

Wireless hand held microphone _____

If you do not indicate your preference, our production crew will make that determination.

I have read, understand and agree to follow the production rules and guidelines set forth.
